Building SOLID FOUNDATIONS With UCB

When we started our company, we looked for a bank that would **connect with us on a personal level**, and that's why we chose UCB. **Twenty years** later, we still have that personal connection with our UCB banker **Fred Jessup**, and he gives us an immediate response when we call. **He always says, "Just let me know what you need..."** I know that he means it, and that means a lot to us.
