

BUSINESS BANKING That SHINES

“United Community Bank is where it all began with Prairie Dental Group. In fact, it goes even further back than that! Right out of dental school, years & years ago, with debt up to our ears. We purchased our home thanks to our bank believing in our potential. A few years later, **UCB then helped us take off professionally.** The people there are amazing, helpful and knowledgeable. **They care and they will take you there – wherever it is that you strive to go!** THANK YOU for making US happen, personally and professionally!”
